Click on "ENTER" to use this site. You can search for Certificates of Compliance and General Conformity Certificates by using a Customer Product ID, a Hanes Product ID or a UPC/GTIN number. To view, print or save a copy of the Certificate, click on the red PDF icon

In accordance with the Consumer Product Safety Improvement Act of 2008 (CPSIA), Hanesbrands Inc. will use this site to post Certificates of Compliance and General Conformity Certificates for its products. Certificates for those products requiring lead testing for paint/surface coatings are projected to be available on this site in October 2010, although a select few may be available now. Certificates for products subject to other regulations under the CPSIA will be published at such time as the Consumer Product Safety Commission requires them to be published. For those products which certificates are not required to be published at this time, we are testing our products as required by law and our products are in compliance. If you have any questions or concerns, please send an email to stephanie.lingle@hanesbrands.com. **For technical support, please contact ICIX Member Support (www.icix.com).**
