Trevose, PA 19053

In regard to compliance of the CPSCIA of 2019 which is targeted towards children's products or any consumer products designed or intended for children of 12 years of age or younger. Please be advised that OccuNomix International LLC does not manufacture any children's products to Alphabroder.

In regard to the Flame Resistant products: OccuNomix products are tested by a third party and meet the current FR standard below:

- NFPA 70E/HRC2 Standard for protection against Electrical Arc and Flash Fire
- ANSI/ISEA 107-2015 Standard for Hi Visibility Garments with criteria for Flame Resistance (FR) as an optional feature.
- ASTM F1506 Standard for garments where workers are exposed to Electrical Arc and related thermal hazards.
- ASTM F1891 Standard – Electrical Arc specific to FR rainwear.
- ASTM F2733 Standard – Protection against Flame Hazards specific to FR rainwear.
- NFPA 2112 Standard – provides minimum requirements for design, construction, evaluation and certification of Flame Resistant garments for use by industrial personnel.

Please contact me if additional information is required.
