Dear Valued Customer,

The purpose of this letter is to ensure compliance required under the Consumer Product Safety Improvement Act of 2008 (CPSIA). A key provision of the CPSIA requires all manufactures and importers certify that the consumer products we manufacture, or import meet any applicable safety standards and rules. Pursuant to the CPSIA requirements, certificate retention is equal to each specific item's expected life cycle. Please note we have always developed our products with our customer's safety in mind, even well before the CPSIA Act of 2008 was implemented and will continue to do so for the benefit of all.

All garments produced for/by Colorado Trading & Clothing Co. (aka CTCC) are compliant with all applicable CPSIA rules. CTCC Brands include; **SOYBU, Colorado Trading & Clothing & Colorado Clothing.**

We, the Colorado Trading & Clothing Company d.b.a. the Active Fashion Group have reasonable and approved 3rd party testing programs in place to ensure compliance with all the CPSIA requirements.

Certificates of Compliance (COC's) also referred to as General Certificates of Conformity (GCC's) and when applicable the Children's Product Certificate's (CPC's) are on file and may be requested at any time, requests for COC's may be sent to **Info@coloradoclothing.com**.

Please feel free to contact us should you have any questions regarding our products and product safety.

Sincerely,

*Barry Malloy*
