Dear Mr. Gelfman:

We are writing to you regarding compliance with California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65").

Please be advised that we are aware of, and have protocols in place to ensure compliance with, Proposition 65. Among other efforts, we maintain a restricted substances list, available at https://www.pvh.com/~media/PVH/Files/corporate-responsibility/corporate_responsibility_RSL.ashx?la=en, and have adopted a reasonable testing program pursuant to which we test our products for chemicals included on the Proposition 65 list.

Please contact Susan Rosenfeld (susanrosenfeld@pvh.com or 212-381-3944) or the undersigned (markfischer@pvh.com or 212-381-3509) if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark D. Fischer".
